++ Valid for broadcast between 0600 and 1800

Headline:
Dry with bright or sunny spells once patchy fog clears.

Today:
Early fog patches slowly lifting, but locally lingering until around lunchtime in places. Otherwise the rest of the region will have a dry day with sunny spells breaking through. Feeling a touch cooler than of late despite light winds. Maximum temperature 13 deg C (55 deg F).

Tonight:
A mixture of cloud and clear spells this evening with mist and fog patches forming through the early hours. Becoming chilly in places. Minimum temperature 4 deg C (39 deg F).

Monday:
Mist and fog slowly lifting but perhaps persisting in some places and here it will stay chilly. Elsewhere, mostly cloudy with a chance of some light rain by the evening. Maximum temperature 12 deg C (54 deg F).

Outlook for Tuesday to Thursday:
Damp and murky with drizzle at first on Tuesday, but slowly brightening up. Bright and breezy on Wednesday with sunny spells and a few showers. Turning cloudier again on Thursday.
